

Clayton Utz Women in Construction Scholarship Fund 2025

CLOSING DATE: FRIDAY 9 MAY 2025

The Clayton Utz Women in Construction Scholarship Fund offers financial support to Tasmanian women pursuing a TasTAFE qualification in the construction industry, helping to enhance their access to and participation in training.

Clayton Utz offers up to three scholarships for eligible Tasmanians in each major region of the state – south, north and north-west.

This is part of the Clayton Utz' commitment to the Tasmanian Government to increase diversity in the construction industry and support Tasmanians who may be facing financial barriers in their ability to undertake and complete training at TasTAFE.

The scholarships are available to TasTAFE female students who enrolled and is undertaking a full qualification relating to the construction industry in Semester 1, 2025, regardless of whether they are commencing or continuing their studies.

The scholarship in each region is worth \$3,330.00. The scholarships will directly contribute to a student's ability to undertake and complete a full qualification.

About Clayton Utz

Clayton Utz is one of Australia's oldest and largest law firms, with offices in six cities, nearly 200 partners, and a full range of legal services for large private sector and government clients.

Clayton Utz advises over 250 public sector organisations across Commonwealth, State, Territory and Local Governments, including the Tasmanian Government - and has a leading construction and infrastructure practice. Clayton Utz is committed to supporting the diversification of the construction industry.

How to apply

2. Alternatively, complete this application form and submit it via email to Eamonn Doherty - Industry Engagement Project Officer at IndustryEngagement@tastafe.tas.edu.au

About you

Full name	
Residential address	
Postal address	
Phone number	
Email	
Citizenship:	<input type="checkbox"/> Australian citizen <input type="checkbox"/> Permanent humanitarian visa holder <input type="checkbox"/> Permanent Australian resident <input type="checkbox"/> New Zealand citizen with a special category visa <input type="checkbox"/> Tasmanian State Sponsored skill migrant visa holders
TasTAFE student ID number	

Provide details of the qualification you are starting at TasTAFE in Semester 1, 2025

Name of the qualification	
What is your study load?	<input type="checkbox"/> Full-time <input type="checkbox"/> Part-time
What is the qualification level you are studying?	<input type="checkbox"/> Certificate III <input type="checkbox"/> Certificate IV <input type="checkbox"/> Diploma <input type="checkbox"/> Advanced Diploma

Provide a short statement about what you will use the scholarship for.

This may include things like tuition and other up front course fees, personal protective equipment (PPE), uniform, textbooks, technology and equipment, tools, travel, respite for carer responsibilities and other supporting resources and services.

--

Commitment to studying at TasTAFE

Please provide a 300-word written statement describing your commitment to your studies, how this scholarship will support your access to the course, and how it will help you obtain the resources needed to successfully complete your studies.

Terms and conditions for the Clayton Utz Women in Construction Scholarship Fund 2025

1. Structure

- The value of each scholarship is \$3,330.00 which is available in each region and will directly contribute to costs associated with accessing and participating in training at TasTAFE. This may include tuition and upfront course fees, transport costs, textbooks, internet access, respite for carer responsibilities along with anything else that will have a demonstrated impact on the ability to undertake and engage with study at TasTAFE.
- It is available to eligible students who enrolled in a qualification relating to the construction industry at TasTAFE in Semester 1, 2025.
- The scholarship will be paid in full by TasTAFE (on behalf of Clayton Utz) upon nomination of eligible and suitable applicants selected by a panel comprising TasTAFE and Clayton Utz
- Scholarships are awarded to applicants who, at the discretion of the selection panel, have fully met the scholarship criteria.
- Eligible applicants, and recipients, will be permitted to apply in future years.

2. Eligibility

Applicants must meet the following eligibility criteria:

- Applicants must be Australian citizens or have permanent Australian resident status.
 - Applicants must be a female student enrolled in a TasTAFE qualification relating to the construction industry in Semester 1, 2025.
 - Applicants must be committed to complete the nominated qualification at TasTAFE in an appropriate timeframe.
 - Eligible qualifications are highlighted in Appendix A.
 - Applicants must complete and submit the application form provided by TasTAFE.
- 

- Applicants must attest that they are not in receipt of any other scholarship valued more than \$500 in total at the time of application.
- Applicants must provide evidence of:
 - (i) commitment to study; and
 - (ii) commitment to using the scholarship to directly assist with accessing and participating in training at TasTAFE.

3. Administration

- Shortlisting of eligible recipients will be conducted by a selection panel from TasTAFE, with the option for Clayton Utz to participate in the process.
- The selection panel will assess shortlisted applicants and determine the recipients. The final list of recipients will then be forwarded to Clayton Utz for their information.
- TasTAFE, in collaboration with Clayton Utz, will notify all applicants in writing of the outcome of their application.
- All information supplied to panel members, along with relevant TasTAFE and Clayton Utz staff, will be treated as confidential.

4. Declaration

- I have read and agree to the terms and conditions of this scholarship.

Appendix A – Eligible Courses

Delivery Team	Product Code and Name
Allied Trades	<ul style="list-style-type: none"> • CPC33020 Certificate III in Bricklaying & Blocklaying • MSF30822 Certificate III in Flooring Technology • MSF30422 Certificate III in Glass and Glazing • CPC30620 Certificate III in Painting and Decorating • CPC31220 Certificate III in Wall & Ceiling Lining • CPC31320 Certificate III in Wall & Floor Tiling
Civil Construction	<ul style="list-style-type: none"> • MSF30322 Certificate III in Cabinet Making and Timber Technology • RII30920 Certificate III in Civil Construction • RII30820 Certificate III in Civil Construction Plant Operations • RII31820 Certificate III in Drilling Operations • RII30420 Certificate III in Resource Processing • RII30120 Certificate III in Surface Extraction Operations • RII30320 Certificate III in Underground Metalliferous Mining
Construction	<ul style="list-style-type: none"> • CPC30220 Certificate III in Carpentry • CPC30320 Certificate III in Concreting • CPC31420 Certificate III in Construction Waterproofing • CPC40120 Certificate IV in Building & Construction • CPC50220 Diploma of Building & Construction (Building) • CPC60220 Advanced Diploma of Building & Construction (Management)
